

A perfect fit.

You and KPMG.

KPMG is a global network of professional firms providing Audit, Tax and Advisory services. We operate in 146 countries and have 140,000 people working in member firms around the world.

KPMG Baltics SIA is a Latvian member firm of KPMG International, the global network of professional services firms providing Audit, Tax and Advisory services.

We are currently recruiting an:

IT specialist, senior level for our Performance and Technology practice

Opportunity:

We are looking for a dynamic individual having a university degree, and a good command of Latvian and English to join our multinational, highly professional team of IT specialists to develop IT advisory services.

Key skills required:

- Penetration testing
- Web Application penetration testing and security

Preference will be given to those possessing the following:

- Programming skills (Java, C#, Python)
- IT audit skills

Offer:

We offer you a professional salary, whose level shall be dependent upon your experience and skills, training opportunities and a career development path.

To apply:

Please send your CV and application in English marked "**IT specialist, Senior**" to cv@kpmg.lv
